Dog Agility

presents:

Three Days with Sarah Stremming

Sarah Stremming, the founder of The Cognitive Canine, is a dog trainer, dog agility and obedience competitor, and dog behavior consultant. She travels the globe helping dogs and handlers understand each other better. Her credentials include a bachelors of science degree in psychology from Colorado State University, and more than a decade in the field of dog training and behavior. Her special interest area is problem solving for performance dogs.

For more information on Sarah, visit: <https://thecognitivecanine.com>

Worked Up Alumni Day Friday February 21 9am-5pm
(must have attended a past Worked Up! seminar to be eligible for this day)

This seminar is all about dogs that are over-stressed, over-aroused, over-adrenalized, and just plain over the top. It covers the hows and whys of over-arousal, as well as a system for assessing, understanding, and soothing arousal states in our sport dogs. We will address everything that comes with problems of arousal: handler biting, broken start lines and contacts, lack of focus, knocked bars, barking, and more.

Working spots \$150 (limit 10) Auditors \$75 (limit 20)

Clarity Rules Sat/Sun February 22-23 9am-5pm

Getting as clear as possible in your training is the first step toward solving all problems pertaining to performance and pet dog behavior. Understanding marker cues, clean errorless shaping, and reinforcement strategies will take your training to the next level, regardless of your current skills.

Working spots \$300 (limit 10) Auditors \$150 (limit 20). Audit Saturday only is \$75. Sunday only is not available.

If interest exceeds 10 working spots, a lottery will determine participants.

Lunch will be provided all days.

Name: _____

Worked Up! ___ Working (\$150) ___ Audit (\$75) Audit if working is full? Y / N

Clarity Rules ___ Working (\$300) ___ Audit (\$150/\$75) Audit if working is full? Y / N
